

# Tech Brief

## Part Number: 8012816

*(Radiator Consolidation DPI 2816 & 2952)*

### Applications:

- 2006-2010 Ford Explorer, Mercury Mountaineer 4.0L / 4.6L
- 2007-2010 Ford Explorer Sport Trac 4.0L / 4.6L

This radiator is supplied with (4) Transmission Oil Cooler Quick Connect Fittings. (2) Fittings come pre-installed into the oil cooler assembly and (2) fittings are packed separately inside the radiator box. Based on your vehicles application you may need to remove the pre-installed adapters and assemble the additional adapters located inside the radiator box. Below are the specific details identifying each adapter design and the vehicle applications they are associated with.
